Description

Geist will no longer offer Racknet Node Manager as part of its DCIM product offering. While the Racknet Node Manager solution will no longer be available, Racknet will be the direct replacement.

Geist will continue to provide existing customers with basic technical support. Continued support will not include Engineering support (bug fixes and/or future additions).

If you have any questions, concerns or are interested in learning how our other products can fill your needs, please contact your Account Manager, our Sales Desk, or visit our website at www.geistglobal.com.

Sincerely,
Geist
Product Management Team
